

CIAR - CONBRAVA 2017

Uniting solutions in research, innovation, air conditioning and refrigeration for users of the HVAC-R sector.

September 12 to 15, 2017 - São Paulo Expo - SP

Held by:

The XIV CIAR, Ibero-American Congress of Air Conditioning and Refrigeration, and the XV CONBRAVA represents an important event of FAIAR and ABRAVA that takes place in parallel with XX FEBRAVA, highlighting the importance of HVAC-R in quality of life. CIAR-CONBRAVA focuses on the theme "RESEARCH, INNOVATE, CLIMATIZE, REFRIGERATE", representing a great milestone for the academic and business community. This event is a congress with a lot of information, knowledge and attractiveness, with the support of FAIAR members, based in Argentina, Brazil, Chile, Colombia, Cuba, Ecuador, Spain, Mexico, Paraguay, Peru, Portugal, Dominican Republic, Uruguay and Venezuela for universal technical thinking.
